

Course	THE BASICS OF BUSINESS WRITING
Duration	2 days
Propose Date	September 2016
Fees	RM700
Introduction	<p>Think how much of your time is spent writing emails, letters and reports each week. Does writing come naturally to you or do you hesitate, stumble and lose time trying to put your words together?</p> <p>Think about the people who read your documents – are you convinced they are getting the message you want them to get? Poorly written communications can damage your organization’s image and lose your business – it’s time to take action!</p> <p>Our two day course shows you how to quickly construct business documents that save time and money. It provides you with tips for error free, plain English communications that will enhance your message – not bury it!</p>
