Overview

Organised by Universiti Malaya Centre for Continuing Education (UMCCed), the Certified Mentor-Coaching Practitioner is a professional certification programme that will help participants to acquire and develop the fundamental skills necessary to practice mentoring and coaching in the personal, community, and organisational sphere.

Course Objective

- Explain new and expected role as a trained Mentor-Coach
- Utilise their mentor-coaching skills for appropriate situations, issues and clients
- Demonstrate the use of specific techniques in mentor-coaching conversation and delivery.
- Explain the importance of engaging the client as a helpful and supportive professional
- Demonstrate professional mentor-coaching behaviours based on specific competencies
- Conduct and manage sessions using the 360 Degree Mentor-Coaching Model and other coaching models.

What Will you Learn

- The Mentor-Coach Mindset and Emotional Intelligence
- The Mentor-Coaching Principles and Fundamentals
- The 360 Degree Mentor-Coaching Model, and the Strategic Coaching Conversation
- Mentor-Coaching Competencies and Skills
- Client Engagement & Practice – Service Experience, Administration and Documentations
